ABOUT THIS WINERY

Varnier-Fannière's Champagnes are archetypal examples of grower Champagne. The wines are distinctly individual, precise, and clean. Winemaking is artisanal and old-fashioned, including full malolactic fermentations and the back-straining operation of an old Coquard press. Interestingly, the wines are bottled at about 10-15% less pressure than most producers. Denis loves the vinous quality that this practice lends to the finished wines.
