Listing type	Open
Status	Available
Country	New Zealand
Regulated designation	Table wine
Region	South Island
Subregion	Marlborough
Varietal(s)	Sauvignon Blanc
Alcohol Level	13
Color	White
Sugar	Dry
Closure type	Metal screw cap

ABOUT THIS WINERY

Located in the Awatere Valley, Marlborough, Yealands Family Wines produces award-winning wines in harmony with nature. Holding this philosophy at the heart of their craft has seen Yealands Family Wines lead the world in sustainable winegrowing. But most importantly, it means producing great tasting wines which don't cost the earth.

TASTING NOTES

The bouquet shows notes of stone fruit and guava, underpinned with notes of fresh herbs. The palate is brimming with zingy fruit that is balanced with a long, crisp mineral finish. Made to enjoy now or after short term cellaring.

VITICULTURAL NOTES

The 2016 growing season started out incredibly dry, with some predicting a severe drought. Fortunately, rains in February set the vines up for a great final ripening period. March and April were very consistent, with warm and dry weather. All varieties were able to be picked at optimal ripeness and in good time. Conditions over the flowering period were stable which translated into wines with great concentration and texture.

WINEMAKING NOTES

Carefully selected Seaview Vineyard parcels were harvested individually over a two week period. At the winery, the fruit was crushed, destemmed and gently pressed. The juice was cold settled for 72 hours, after which the clear juice was racked off, followed by a long cool fermentation in stainless steel to capture and enhance the fruit flavours. Each of the individual parcels were fermented separately using a range of selected yeasts.
