ABOUT THIS WINERY

Tucked in the middle of the Sancerre region is Domaine Vincent Delaporte and Sons, a family business which has been passed from father to son since the 17th century. The charm, passion and love so evident in this family's interactions with each other are all mirrored in their beautiful and lively wines.

TASTING NOTES

The legs appear as a beautiful red currant colour with sharp and brilliant reflections. Exceptionally fruity, very young, and typically Sancerre, raspberry, peach. Very aromatic on a red fruit key. Full and round, it shows much sucrosity in attack. This wine attenuates gradually, expands promptly and is supported by a balanced tannic point. Powerful, it opens finally on fruity notes and is prolonged with the taste of citrus fruits.

VITICULTURAL NOTES

Pinot Noir vines are at least twenty years old and are mainly planted in siliceous-clay soils (70%), with the remaining planted in limestone soil. These vines undergo reasonable cultivation in order to give the maximum amount of respect to the ecosystem and the environment.

WINEMAKING NOTES

- Pellicular maceration (softening of the grape skins with the must. The grapes are crushed and stripped from the stalks and then held for four days at 10 °C)
- Alcoholic fermentation for 12 days in temperature-controlled stainless steel vats at a temperature of 15 °C
