**ABOUT THIS WINERY**

Varnier-Fannière's Champagnes are archetypal examples of grower Champagne. The wines are distinctly individual, precise, and clean. Winemaking is artisanal and old-fashioned, including full malolactic fermentations and the back-straining operation of an old Coquard press. Interestingly, the wines are bottled at about 10-15% less pressure than most producers. Denis loves the vinous quality that this practice lends to the finished wines.

**TASTING NOTES**

The wine displays a pale pink color, combining amber and ruby reflections. The nose is dominated by aromas of fresh red berries, blackberries, and currant. The lively, perfectly balanced attack on the palate is reminiscent of Pinot Noir's strong character. It ends on a long, elegant, and powerful finish. This Champagne is ideal as an aperitif or with red fruit desserts.

**VITICULTURAL NOTES**

Rosé Grand Cru is a unique wine that combines the elegance of Chardonnay grapes (90%) with the power and fruitiness of Pinot Noir grapes (10%) from the village of Ambonnay, one of Champagne's historic Grand Cru villages.
