**ABOUT THIS WINERY**

Francis Ford Coppola was first exposed to winemaking while growing up in New York; his grandfather and uncles were making wine in their basement using grapes they shipped in from California. After marrying in 1962, Francis and his wife Eleanor became the owners of a substantial and beautiful wine estate outside of San Francisco. They have now been married for over 50 years and still live on the estate with their family.

**TASTING NOTES**

Purple garnet in colour with aromas of cherries, boysenberries, anise and toasted wood. Flavours of cassis, plum, dark chocolate and baking spices. This Cabernet Sauvignon exhibits a rich, complex personality with ideal tannin structure.

**WINEMAKING NOTES**

This collection is a classic Californian example of a fruit-forward, multi-dimensional, and immediately drinkable wine. The Cabernet Sauvignon blends fruit from appellations as far north as El Dorado and as far south as Paso Robles. These vineyards possess diverse soil and can experience unique diurnal temperatures which create a more complex and flavourful wine. This vintage was aged for 12 months in French oak barrels following fermentation.
