#### ABOUT THIS WINERY

Sokol Blosser is one of the pioneering wineries of the now-prominent Oregon wine industry. The winery is family owned and operated, with the second generation now at the helm: siblings Alex and Alison Sokol Blosser. Today the winery farms 128 acres of vineyards and creates wines of world-class quality, produced in a sustainable manner, which reflect the distinctive flavors of the grapes, soil and climate.

#### TASTING NOTES

This Evolution Sparkling is designated as a Brut level of sweetness. It comes across as dry due to the bubbles and acidity in the finished wine, making a vibrant wine that dances on the palate. It expresses aromatics of apricot, green apple, Bosc pear, with hints of white peach and citrus. The mouth feel is slightly creamy from the secondary fermentation in the bottle, with a light flintiness. Dry on the palate, it finishes crisp and clean.

#### WINEMAKING NOTES

The same varietals from Evolution white were harvested, processed and fermented with sparkling wine production in mind. These special wines were then blended into a single interesting base wine, put into bottle, and a little more yeast was added for an additional fermentation in the bottle. After fermentation in bottle is complete, each bottle is individually opened to put a little splash of sweetness in to create a perfectly balanced wine.
