### ABOUT THIS WINERY

Paxton's wide range of wines reflects the belief that the basis of farming is soil health and the basis of wine quality is balance in the vineyard combined with simple non-interventionist winemaking, so that grapes are of exceptional quality, combining vivid varietal expression and natural regional diversity. Most importantly, they reflect the commitment of an honest hard working farmer to provide the best possible quality at a reasonable price.

### TASTING NOTES

Vibrant purple and red hues. Explosion of raspberries, strawberries, mulberries and plums with a hint of lavender and sandalwood. Medium bodied drink "NOW" style of wine, bright and fresh red berry fruits followed by a fantastic mid palate packed full of vibrant layers of fruit intensity and topped off with silky tannins and a velvet finish.

### VITICULTURAL NOTES

NOW by PAXTON stands for NATURAL ORGANIC WINE. The consumer market demand has been growing steadily for Preservative Free/Natural wines. As leaders in organic production, it was obvious that Paxton needed a product for this category. In addition to Natural, PF & Organic, we wanted to make a young, drink NOW style shiraz that was different from our existing Shiraz styles.
